charnwood

C-FOUR INSERT

Based on the free standing C-Four this stove is designed to fit into a standard fireplace. Featuring a single air control and an integrated outlet for ducting external air the C-Four Insert burns exceptionally clean with outstanding efficiency. This stove also features our renowed converting grate for efficient multi fuel burning and meets the Clean Air Act requirements for smoke control exemption; allowing wood to be burnt in smoke control areas. This model is SIA Ecodesign ready.
